INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Washington Street Hope Center, Inc.
Marksville, Louisiana

I have audited the accompanying statement of financial position of Washington Street Hope Center, Inc. (a nonprofit organization) as of June 30, 2010 and 2009 and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Washington Street Hope Center, Inc. as of June 30, 2010 and 2009 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, I have also issued my report dated September 22, 2010, on my consideration of Washington Street Hope Center, Inc.'s internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts and grants. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of my audit.

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Washington Street Hope Center, Inc.'s financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U. S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is also not a required part of the basic financial statements of Washington Street Hope Center, Inc. The schedule of expenditures of federal awards has been subjected to the auditing procedures applied in the audit of the financial statements and, in my opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

A handwritten signature in black ink, appearing to read "Roy K. Derbonne, Jr.", with a long horizontal flourish extending to the right.

Notes to Financial Statements

(1) Summary of Significant Accounting Policies

A. Nature of Activities

Washington Street Hope Center, Inc. (the Corporation) was incorporated on July 25, 1988 and is a nonprofit organization as described in IRS Code Section 501(c)(3) which was formed for the purpose of providing a 28-day program of rehabilitation from substance abuse. The Corporation is governed by a board of directors, and employees consisting of two directors, a secretary, a cook, two counselors, and several program technicians.

B. Financial Statement Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS No. 117, "Financial Statements of Not-for-Profit Organizations". Under SFAS No. 117, the Corporation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

C. Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

D. Description of Programs

Hope Center -

The Hope Center provides long-term, highly structured residential treatment programs for alcoholic and drug dependent men who are economically unable to obtain needed treatment elsewhere. Fees range from assistance provided by the State of Louisiana, Department of Health and Hospitals, Office of Human Services, Division of Alcohol and Drug Abuse to direct payments from individual patients.

E. Donated Services and Materials

Contributions of materials, facilities, and services are recognized if they (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. These donated services and facilities were recorded at market value.

WASHINGTON STREET HOPE CENTER, INC.
Marksville, Louisiana

Notes to Financial Statements (Continued)

F. Fixed Asset Depreciation

Expenditures for physical properties are valued at historical cost and are being depreciated on a straight-line method over the following estimated lives:

Buildings	25 years
Building improvements	10 years
Vehicles & equipment	5 years
Furniture & fixtures	5 years

G. Compensated Absences

The Corporation's policy relating to accumulated unpaid vacation, sick pay and other employee benefits indicates that each employee receives two to four weeks vacation leave each year depending on the length of employment. Employees also receive sick leave as requested each year. Accumulated absences are not accrued in these financial statements, as such amounts were considered immaterial at June 30, 2010 and 2009.

H. Income Taxes

The Corporation is a nonprofit organization and is exempt from Federal income tax as an organization described in Section 501(c)(3) of the Internal Revenue Code.

I. Functional Expenses

Functional expenses have been allocated between Program Services and Supporting Services based on an analysis of personal time and space utilized for the related activities.

J. Uncollectible Patient Fees

Uncollectible amounts due for patient fees are recognized as bad debts through the establishment of an allowance account at the time information becomes available that would indicate the uncollectibility of the particular receivable. The allowance for uncollectibles at June 30, 2010 and 2009 were immaterial.

K. Statement of Cash Flows

The Corporation considers all highly liquid investments with a maturity of three months or less at the date of acquisition to be cash equivalents.

Marksville, Louisiana

Notes to Financial Statements (Continued)

L. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

M. Totals – Memorandum Only

Total columns on the financial statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

N. Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. In this case, the federal agency restricts the purpose of the support for only the care and treatment of the patients that are assigned by that agency.

(2) Cash

At June 30, 2010 and 2009, the Corporation had cash and interest-bearing deposits (book balances) totaling \$395,126 and \$294,750, respectively. These deposits are stated at cost, which approximates market. These deposits (bank balances) at June 30, 2010 totaled \$400,256 and is fully secured by FDIC insurance. These deposits (bank balances) at June 30, 2009, totaled \$303,368, and was secured from risk by FDIC insurance.

(3) Receivables

The following is a summary of receivables at June 30, 2010 and 2009:

	2010	2009
Grant revenue receivable	\$ 46,500	\$ 46,500

Training	-	1,225
Total Hope Center	<u>\$ 66,820</u>	<u>\$ 61,235</u>

(6) Related Party Transactions

- A. James Hamilton is the finance director for Washington Street Hope Center, Inc. For the year ended June 30, 2010 and 2009, Washington Street Hope Center, Inc. purchased \$145 of insurance policies through an insurance company that is owned by Mr. Hamilton's son. This amount was reported as insurance expense.
- B. Jo Hamilton, also a director for Washington Street Hope Center, Inc., leases the Hope Center building personally for \$500 per month.

WASHINGTON STREET HOPE CENTER, INC.
Marksville, Louisiana

Notes to Financial Statements (Continued)

(7) Litigation

The Corporation was not involved in any litigation at June 30, 2010.

(8) Federal Awards

The Corporation is funded largely by reimbursements under its contractual agreement with the State of Louisiana Department of Health and Hospitals, and Office of Human Services, which consist of federal funds. These funds are subject to review and audit by the grantor. Such audits could result in a request for reimbursement by the grantor for expenditures disallowed under the terms and conditions of the appropriate agency. In the opinion of management, the amount of disallowance, if any, would not be significant to the financial statements.

(9) Fair Values of Financial Instruments

The Corporation's financial instruments, none of which are held for trading purposes, include cash and grant receivables. The Corporation estimates that the fair value of all financial instruments at June 30, 2010 and 2009 do not differ materially from the aggregate carrying value of its financial instruments recorded in the accompanying statement of financial position.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Washington Street Hope Center, Inc.
Marksville, Louisiana

I have audited the financial statements of the Washington Street Hope Center, Inc. (a nonprofit organization) as of and for the year ended June 30, 2010, and have issued my report thereon dated September 22, 2010. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Washington Street Hope Center, Inc.'s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters, that is required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered Washington Street Hope Center, Inc.'s internal control over financial reporting as a basis for designing my audit procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Washington Street Hope Center, Inc.'s internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of Washington Street Hope Center, Inc.'s internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis.

A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. I did not identify any

deficiencies in internal control over financial reporting that I considered to material weaknesses, as defined above.

This report is intended solely for the information and use of Washington Hope Center, Inc.'s Board of Directors and management, others within the organization and grant awarding agencies and the Legislative Auditor and is not intended to be and should not be used by anyone other than the specified parties. However, this report is a matter of public record and its distribution is not limited. Also, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Directors
Washington Street Hope Center, Inc.
Marksville, Louisiana

Compliance

I have audited the compliance of Washington Street Hope Center Inc.'s (a nonprofit organization) compliance with the types of compliance requirements described in the "U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement" that could have a direct and material effect on each of Washington Street Hope Center Inc.'s major federal programs for the year ended June 30, 2010. Washington Street Hope Center Inc.'s major federal programs are identified in the schedule of federal financial assistance. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Washington Street Hope Center Inc.'s management. My responsibility is to express an opinion on Washington Street Hope Center Inc.'s compliance based on my audit.

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Nonprofit Organizations*. Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred.

An audit includes examining, on a test basis, evidence about Washington Street Hope Center Inc.'s compliance with those requirements and performing such other procedures as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination of Washington Street Hope Center Inc.'s compliance with those requirements.

In my opinion, Washington Street Hope Center Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2010.

Internal Control Over Compliance

The management of Washington Street Hope Center Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing my audit, I considered Washington Street Hope Center Inc.'s internal control over compliance with the requirements that could have a direct and material

effect on a major federal program in order to determine my auditing procedures for the purpose of expressing my opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Washington Street Hope Center Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses, as defined above.
